Sir:

INTRODUCTORY COMMENTS

A Notice was issued indicating that the Amendment filed July 16, 2008 failed to include a complete listing of all of the claims, presumably by failure to reference claims 1-28, which have been canceled. The Notification required "only the correction of the non-compliant section of the amendment." In response to the Notification dated June 27, 2008, please amend the above-identified U.S. patent application as follows:
